

MARCH 2010

COSTS - KIDS

NATE - 2 YEARS OLD

The perfect package to capture the vast range of your child expressions. Hawkins Photography packages allow the utmost flexibility with what you receive. Lyndon will come to your house, a park, a beach or another sentimental venue and spend the time getting to know your child. He will photograph your child's most intense expressions whilst you interact and play with them. You will receive your photo's expertly printed by our professional photographic lab. As well as this, you also receive your digital negatives on CD at no extra charge... All part of the Hawkins Photography difference.

Inclusions in the Hawkins Photography Baby Packages ::

1. DIGITAL NEGATIVES of all processed shots. These will be digital files on a CD at very high resolution. You can print these off, send them to friends, use them in ANY way they want with NO royalties paid to me.
2. We will let your child play, laugh, run around... or do whatever comes naturally. We will then do some shots with the parents, should you want family shots as well.
3. You will receive 1 set of 6x4" images printed on matt photographic paper of all processed shots.
4. From the processed photographs, you will receive 1 enlargement of your choice to 12x8" size on matt photographic paper.
5. All processed photo's are enhanced and re-touched for colour and blemishes.
6. All photo's have the ability to be enlarged and printed on canvas or other substrates at a later date by Hawkins Photography.
7. Photo's will be a mixture of both colour and black and white
8. An online gallery will be created within 10 days from the shoot for you to pick your enlargement.
9. Client will receive prints within 10 working days after enlargement has been

HARLEY -
